WHO WE ARE

The members of Mums at Work (MAW) are female professionals who, like you, understand the importance of lifting one another up for success.

When you join MAW, you instantly form connections with other motivated women who want to see you achieve your goals. MAW's membership is as diverse as the women, including business owners, partners, entrepreneurs, key decision makers, business-to-business representatives, and female professionals.

They are committed to taking their business to the next level, are driven by achievement, and know that networking is one of the most cost-effective ways to generate new business.

WHY JOIN?

1. **Best value on events & workshops, advertising, & sponsorship opportunities:**

When you participate with MAW regularly, you'll start to form real, lasting business connections that result in more referrals, leads, and clients. As a member, you'll receive a discount code for events and workshops, advertising and sponsorship opportunities. Become a featured member, advertise at our events, offer our community a preferred rate for your services and products.

2. **Inclusion in our public online directory:**

Members and non-members alike use our public online directory whenever they are looking to refer or hire female professionals in a particular field. You can add a bio, multiple categories, photos of yourself and products and logos. It's the easiest way to be able to find and refer each other.

3. **Instantly grow your network when you become a member:**

When you join, you immediately tap into a "circle of support" by gaining entry to our VIP Members club, smaller group of women who share your values, who want to know you, your business, and what they can do to help you succeed.

4. **Showcase your skills, products and services:**

By becoming a Mums at Work Trainer or by being a featured member to our audience, you have a platform to showcase your skills, products and services.

“Fantastic group! Highly recommend to all women who are thinking about setting up a business or who are already self employed. A wealth of advice and support at your fingertips.”

Trish O'Hara

“I honestly don't know where my business would be without Mums At Work Networking Group. The stars aligned for me when I joined and opened my own business back in summer 2018.

Mums At Work has given me confidence, inspiration and so much encouragement, not to mention getting to meet other business women to learn from and hear their stories.

The friendships I've made and support I've received are priceless to me.

Join in, meet up and get networking! You never know where it can take you!”
